Welcome

TO THE CHOIRS

The two choirs of St. Mark's are the Junior Choir of boys and girls between age 7 and high school and the Adult Choir.

The Junior Choir sings at the 9:30 Sunday service and rehearses on Wednesday afternoons at 4:00 P.M. The Senior Choir sings at the 11:00 A.M. service and rehearses at 8:00 P.M. Thursday evenings.

It is difficult to understand why in a church the size of Saint Mark's, the Choirs are not larger. We commend our choirs for their accomplishments through the year, but we covet for them the things they could be doing with even larger numbers.

HOW WOULD YOU LIKE TO BE A PART OF THE CHOIR?

Persons interested in joining either choir are asked to speak to the choir director any Sunday morning or before choir rehearsals.

Of the choir the Rev. Joseph Wittkofski writes:
"the vitality of a parish can often be sensed in its choir. In the worship of the Church, the choir plays an important liturgical function. These singers . . . not only lead the congregation in the praise of God, but they also aid to induce the mood for the elevation of the mind and heart to God.

Attendance at choir practice can be bothersome and tedious but, if each member keeps in mind the personal service to God, the burden will lighten itself. In the proper liturgical setting, the words sung during the divine worship will actually re-echo the praise of God throughout the Universe.

Welcome

TO THE CHURCH SCHOOL OF ST. MARK'S CHURCH

Someone has pointed out that we as parents see to it that we TAKE our children to the circus, and SEND them to Church School.

If you are a parent, I'll bet that at one time or another you have had plenty to say about the threat of Communism. And I dare say that you have had a good deal to say about juvenile violence in our community. And you perhaps will be constrained to say something about a college educational system that nurtures agnosticism.

Despite this tendency to run to froth and foam perhaps its fair to ask, are we the same parents who conclude "I'm not going to force junior to go to Church because I was made to go when I was a boy and it made me antagonistic."

Of course this parent was made to go to public school and he was made to brush his teeth and he was made to clean his plate.

You can note in our Church the disparity between the number of Church School Children enrolled at the beginning of the school year and the number in actual attendance on any given Sunday.

The old cliches about "Sunday being my only day off," "The service is too long," "Johnny doesn't like his teacher," "Susie is bored with Church School" . . . all sound rather weak in the light of our world and youth situation. Never was there a time in human history when parents had such a grave responsibility to array their children in the "full armor of faith."

—borrowed from a Cleveland, Ohio parish paper.

Our Church School at St. Mark's meets on Sunday mornings at 9:30 for a Family Service in the Church and then meets as separate classes for Nursery, Kindergarten, and in grades one through eleven. There are also three Adult Classes.

Welcome

TO OUR PARISH ORGANIZATIONS

The many organizations at St. Mark's are an opportunity to put to good use our "give away time." YOU ARE WELCOME to investigate any of the activities of the parish which you feel called upon to join.

But as you do so, we ask that you keep some things in mind:

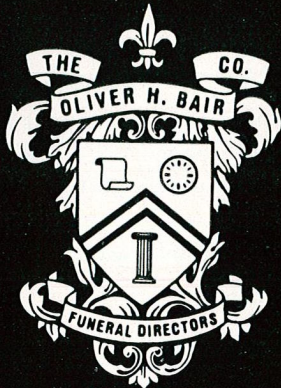

We would just make one plea and that is that we do not consider the Church as just another "organization." The Church is the body of God's People who meet for the purpose of worshipping the Almighty and through the sacraments receive the strength to live constructively in all phases and aspects of their lives.

Worship of the Almighty is NOT an organizational activity which is one of the optional things we do. It is that which gives vision and balance to all our activities. It is that which enables us to put first things first and unimportant things as being unimportant. It is that which gives us the stature to stand above ALL of our activities.

And the sacraments? These are the means whereby we receive the power and strength to do the things we learn we must be doing as we are shown them through our worship. Do we NEED GOD'S STRENGTH to do the things He wants us to do? Apparently He thinks so, or He would not have instituted these outward and visible signs of purveying inward and spiritual strength.

So the things done at the Church are the things done for the Church's (God's) people. And these are things without which we cannot possibly be whole. Church School. Adult Classes, study groups, fall into the same classification as the services of the Church, in that they contribute to our understanding of God and deepen our conviction that God wants to have a part in all that we do and to our knowledge that this is an essential part in all our doings.

Then what about the ORGANIZATIONS OF THE CHURCH? These offer us a chance to serve others as God loves and serves us. If we would

like to consider these as optionals in comparison with other service groups we are correct if we see the option as being "through which organizations can I best express my appreciation for what God is doing for me?"

Think on these things as you plan your life at St. Mark's or anywhere. He will be interested in it and will help you with your choices. But He Himself is not an alternative to anything else. These are the organizations of St. Mark's:

ALTAR GUILD

Since 1889 the Altar Guild has served God diligently and devotedly. The women of this group clean and decorate the altars each week. They launder and repair with meticulous care the linens and vestments and they take care of the holy vessels and prepare for celebrations of Holy Communion.

In 1965 the Altar Guild purchased three new fair linens—a Glastonbury thorn design in memory of Mrs. Rittenhouse, a nativity design in memory of Mrs. Croft and a resurrection design in memory of the Faithful Departed. All of the women of St. Mark's are invited to become members of the Altar Guild and share in the work which contributes much to the beauty and devotion of the parish.

THE SERVERS AND ACOLYTES GUILD:

The guild is made up of the young men of the parish who assist the Clergy at the services. Membership is by the invitation of the Rector and all confirmed boys are invited to inquire about membership. The Guild meets once a month for training as announced and after the 9:30 service the last Sunday of the month in the Assistant's office to arrange the following months schedule.

THE AUXILIARY VESTRY

Each year fifteen men are chosen by the Rector and Vestry to serve for one year. The group meets monthly at member's homes. The pur-

pose of the group is to assist the Vestry and to do the work delegated to them. They have the responsibility of preparing the Year Book each year. The group has as their special project, the responsibility of promoting the Church and her program.

THE WOMEN OF ST. MARK'S

Every Confirmed woman is automatically a member of this group. The program of the Organization is concerned with the missionary work of the Church at home and abroad. Meetings are held the third Thursday of the month.

THE YOUNG PEOPLES FELLOWSHIP

The Fellowship is a program for boys and girls thirteen years of age and older. The group meets every Sunday evening at 7:30 P.M. The program is four-fold—Worship, Fellowship, Study and Service. Once a month the group attends a meeting of the Convocation with other Fellowship groups in the Northeast.

THE MR. AND MRS. CLUB

This organization is strictly a fellowship group for husbands and wives. It meets once a month on the third Saturday. All members of the Church are invited to attend and bring their friends.

THE BUSINESS AND PROFESSIONAL WOMEN

An opportunity is provided for women who are employed during the day to meet once a month in Fellowship and Service. The meetings are held in the Parish House on the second and fourth Tuesday of the Month.

THE PARISH COUNCIL

This group is made up of the presiding officers of all the Church Organizations. There are at least four stated meetings a year, at which time Organizations report the activities planned and the Calendar is

approved. The Annual Church Bazaar is the result of the combined efforts of all Church Organizations. The Council seeks to help organizations in planning and promoting events when the occasion arises to work together on a common project.

THE BELL RINGERS

The Bell Ringers consist of a group of laymen who assume the responsibility for playing the Bells prior to Church Services and on special occasions. The Ringers maintain the bells and assist with the Bazaar.

THE CHOIR MOTHERS

These women are a part of the Altar Guild and make a real contribution to the music of the Church. The men and boys and the women and girls have to be cared for. More help is needed in this department.

BOY SCOUT TROOP 229

St. Mark's Church sponsors Troop 229 believing that Scouting can make a vital contribution to the development of a young man's character. The troop meets every Tuesday evening in the parish house and welcomes new boys interested in the principles of Scouting.

Highlights of the Year - 1966

This year found a Parish trying to rescue itself from a deadly spirit of Provincialism. The National Church recommended that more attention be given to needs outside the Parish and greater use be made of Physical facilities for Community needs.

Over two thousand dollars was raised and given to worthy projects outside the Church. Money was sent to the Presiding Bishop for relief in South Vietnam. Money also was sent to aid the furnishing of a new Parish House on an Indian Reservation in South Dakota. Money also was sent to a Church nearby to make improvements on their Parish House.

We have also programed better use of our buildings by inviting into the Parish a Scout Troop. We also have made available our buildings to The American Singers, a new Choral group in Philadelphia who are presenting excellent music with outstanding young vocal artists.

New lights were presented to St. Marks. Two lights have been installed in memory of William Fenney. Two lights have been installed in the Baptistry in memory of Mr. John Green. Twelve lights have been ordered to be installed in the Nave early in 1967. The lights are most welcome and we are grateful to our most generous donors.

In June we welcomed The Rev. Leighton Erb and his wife Maria, two children Heidi and Susan to the Parish. Mr. Erb follows Mr. Morrison as Assistant at St. Marks. Mr. Morrison received a call to North Carolina. We had to make extensive repairs to the Assistants house and are grateful that we were able to do so. Many thanks to our many faithful contributors.

HIGHLIGHTS OF THE YEAR 1966—Continued

We again attempted our own Fund raising campaign this year for General Expenses of the Church. Our theme was OUCH—Our United Contributions Help. We are each year enlisting more members to pledge support to the Church's program. Our theme to extend ourselves "will be our inspiration to do better in 1967."

We increased our Missionary giving in 1966 to \$12,000. This is the largest amount of money ever contributed to outside the Church except for the Capital Fund Campaign six years ago when we pledged \$15,000 over a three year period.

1966 has had for us moments of sadness and also moments of gladness. We are grateful for our many blessings and look forward to the opportunities for Greater Service to the Church and her program in 1967.

O U C H

"Our United Contributions Help."

We have tried this year in our Everymember Canvass program to attain certain goals. The first, to sense the corporateness of our task; that all of us were working together to extend the program of the Church. Secondly we tried to impress upon ourselves the need to be involved, to share in the program by giving of time and talent. Lastly we sought to enlist a hundred percent commitment, to have everyone in the Parish exercising their citizenship in God's Kingdom by giving.

We found our motivation for giving in the teachings of Jesus of Nazareth. Our program of extending ourselves of going another mile comes from an injunction which Jesus gave his disciples.

St. Matthew 5:40

The uniqueness of our religion is all tied up in our Lord's teaching on excessive righteousness, or goodness. Jesus said, "unless your goodness exceeds that of the scribes ye cannot enter into God's Kingdom." This statement was re-enforced in his teaching on forgiveness when he called on Peter to forgive not 7 times 7 but 70 times 70.

St. Matthew 18:21

A Christian always extends himself in his doing of good when he gives more of himself than is expected of him to his fellow man. The giving of the 'cloak also' is an example of Christian Charity. A coat might suffice for some, but here the injunction is the cloak also. Not just a cup of water but also a loaf of bread.

Christ's concept of charity is not unrelated to his concept of forgiveness and the love of others. It is Christianity that teaches us to love our enemies, the unloveable people of the world. "It is easy to give good gifts to those who give good gifts to you." The real test of love is to do good for those who would hurt us.

OUCH—Continued

There really is no limit to how far we ought to go in doing for others. As far as you can go—go. As much as you can do—do. There is no limit to love, Christian love.

The choosing of 'ouch' for our canvass this year is the result of reviewing the teachings of Jesus in order to motivate our giving. In sensing the corporateness of our task we have tried to raise our sights to greater giving for others. We have tried to avoid complacency and a sense of self-satisfaction with what we are now doing in the name of love and to try to do even better.

When we suggest that giving that does not hurt is not really Christian giving, we are accepting a challenge to make a sacrifice in our giving to God—through His Church.

Is it too much to be asked in this day of over-emphasis upon the material things of life, 'the luxuries of an affluent society captivating our hearts' to give up owning 'a luxury' that Christ's ministry to the under-privileged in body and soul might have a real opportunity.

The evil of economic affluency is found in the overly cautious, ultra conservative feeling that 'full barns' bring happiness. We know that if we have all we would hope for materially—peace of mind, a sense of well being—can still be an unattainable aspiration.

If we allowed a little empty room in our barns of plenty and give for the welfare of others—there is a possibility that we might have that which we long for—in our doing for others. When Jesus suggested that treasures might be stored in heaven, he was helping the materially minded followers to find an escape from spiritual bankruptcy and to enjoy the fruits of self-giving.

No one can tell us how much we should give to say ouch. We know when our giving really hurts. May our giving in 1967 be a real effort to extend ourselves even to the point of hurting. When we have achieved this objective then we will know what Christian giving is really like.

IN MEMORIUM

LANCE CORPORAL
THEODORE LAUER FISCHER

Lance Corporal Theodore Lauer Fischer age twenty two was killed on March 20th, 1966 in Phu Bai, Republic of South Vietnam. Funeral services were held at St. Marks on Wednesday of Holy Week, April 6th, 1966 at 8:00 p.m. Bishop Dewitt officiated. Burial was in White-marsh Memorial Park.

Ted was an active member of St. Marks Church. He sang in the choir from the age of seven. He was president of the Young Peoples Fellowship and a member of the Servers Guild.

Ted will long be remembered for his abounding spirit, outgoing personality and an unceasing enthusiasm to be out front. His warmth of personality won him many friends where ever he happened to be. Although his life was brought swiftly to an end, he filled his days with opportunities of service.

A buddy who witnessed his death said "the last I saw of Ted, he was helping to carry a wounded man to safety when he was hit by a bullet in the head and died immediately."

"Greater love hath no man than this, that he lay down his life for another."

Six memorial lights will be placed in the church as a memorial to Theodore, a gift from his many friends and his family. The lights will be installed and dedicated in June of 1967.

"May light perpetually shine upon him"
